

OBB (Austrian Railways, red) Railjet trains.

There are two types of Railjet, both 7-car. Below is the original type, with 16 business class seats, the later type has only 6 business class seats.

All cars have toilets, all seats have 230v power sockets. Suitcase symbol = large luggage rack. Some Prague-Vienna departures are operated by Austrian (red) railjets with different interiors.

Note that two 7-car railjet sets can run coupled together, in which case car numbers in the second set will be 31, 32, 33 etc.
